Just South of Huntington . Arcadia, California

## FOREWORD

Our propagation is limited to trees, including many new varieties that hold promise for California landscape; but we also carry a fine line of shrubs, bedding plants, fertilizers, seeds, and pest controls.

As we carry a large variety of trees, you the planter should, to make California a more beautiful and interesting state, select trees different from those planted by your neighbors. Let us learn a lesson from the tragedy of the eastern states, where they planted one favorite tree (American Elm), and now two diseases are killing thousands of elms each year in most of the eastern cities, where 90% of all the trees planted in the past were American elms. Since this could happen to any variety of tree in California, if planted too heavily and the right disease came along, let us help you select a tree that will add lasting beauty and color, in a fine variety, to your home and neighborhood.

We welcome you and your arboricultural problems.

This list includes most of our interesting species that average .75 to 1.00 per gal., or 2.50 and up for larger trees in 5 gal. cans, also tub specimens, and field grown material in many varieties.

T. (Tender). When temp. drops below  $25^{\circ}$ . HH. (Half Hardy). Should survive ordinary frosts in Southern California. H. (Hardy). Will stand any Southern California frost. VH. (Very Hardy). Will stand the worst frost conditions. DR. (Drought Resistant). ML. (Moisture Lovers), good for lawn specimen. S. (Small) 15 to 20 ft. M. (Medium) 20 to 40 ft. L. (Large) 40 to 80 ft.

S. (Small) 13 to 20 ft. W. (Medium) 25 to 25	
Abies pinsapo (Spanish Fir). Fine Christmas tree for California homes	H. DR. M.
Acacia bailyana purpurea (Purple Acacia). Grows like Baily Acacia Acacia bailyana purpurea (Purple Acacia). Grows like Baily Acacia Acacia cultriformis (Knife Acacia). Spring flowering tree	H. DR. S. H. DR. M. H. DR. M. H. DR. S. H. DR. M. H. DR. S. H. DR. S. H. DR. S.
All Acacias are fast growing trees.	
Acer macrophyllum (Bigleaf Maple). A fine maple for California.  Acer negundo Calif. (Calif. Boxelder). Fine for quick shade.  Acer palmatum (Japanese Maple). Fine graceful, colored leaves.  Acer saccharinum (Silver Maple). Fast growing, silver leaves.  Acer saccharinum var. Wieri (Wier's Cut Leaf). Beautiful foliage.	VH. ML. L. VH. ML. M. VH. ML. S. VH. ML. L. VH. ML. L.

Acer saccharinum var. lutesens (Orange Maple). Orange barked maple	VH. ML. L.
Acer davidi (Chinese Maple). Striped bark, distinct foliage	H. ML. M.
Acer ginnala (AMUR Maple). Graceful tree, beautiful foliage	
Acer platanoides (Norway Maple). A fine shade tree	
Acer platanoides SCHWEDERI (S. Maple). Red foliage in spring	
Acer saccharum (Sugar Maple). Beautiful fall colors	
Acer rubrum (Red Maple). Beautiful fall colors, shade tree	
All maples must have indisture and sheller from white, of the leaves Aescules californica (Calif. Buckeye). Pink flowers in spring	
Aescules carnea (Red Horse Chestnut). Red flowers in spring	
Albizzia julibrissin (Silk Tree). Fern foliage, pink flowers	
Alnus rhombifolia (White Alder). Fast grower, fine shade tree	
Alnus glutenoses (Black Alder). Dark foliage, fine shade tree	H. ML. M.
Arbutus unedo (STRAWBERRY Tree). Ornamental flowers, and fruit	H, ML, S.
Arecastrum romanoffianum (Queen Palm). A graceful palm	
Bauhinia variegata (Purple Orchid Tree). Lavender to purple flowers	HH. ML.
Betula pendula (European White Birch). White bark, graceful	VH. ML. S.
Betula pendula gracilis (Cutleaf Birch). Fine cut, weeping foliage Betula nigra (River Birch). Dark leaves, fine shade tree	VH. ML. S.
Brachyiton discolor (Pink Flame Tree). Cut leaves, pink flowers	
Brachyiton populneum (Bottle Tree). A fine tree for a dry spot	
Brachyiton acerifolia (Aust. Flame Tree). Red flowers, maple leaves	
Broussonetia papyrifera (Paper Mulberry). A fast growing shade tree	
Callitris robusta (Cypress Pine). Very dark cypress type tree	H. DR. M.
Callistemon viminalis (Showy Bottlebrush). Red flowers, penulus foliag	
Caledendrum capensis (Cape Chestnut). Pink flowers, fine tree	
Camptotheca acuminata (?). Fast growing gray barked tree, new	
Casimiroa edulis (White Sapote). Fruit and shade combination	
Castanea sativa (Spanish Chestnut). Fine shade tree for farm	
Casuarina equiseriona (norsetair free). Fine like tree	
Catalpa bignonioides (Catalpa). White flowers, large leaves	
Ceanothus arboreus (Catalina Ceanothus). Blue flowers in masses	
Cedrus atlantica (Atlas Cedar). Handsome conifer, rigid growth	H. DR. L.
Cedrus atlantica glauca (Blue Atlas Cedar). Glaucous foliage	VH. DR. L.
Cedrus deodara (Deodara Cedar). Tall graceful conifer.	H. DR. L.
Celtis australis (European Hackberry). A fine desert shade tree.	H. DR. L.
Celtis mississipiensis (S. Hackberry). Elm-like tree for dry soil	H. DR. L.
Ceratonia siliqua (Carob). A fine shade tree, also forage for farm	HH. DR. M.
Cercis chinensis (Chinese Redbud). The best redbud for So. Calif	H, ML, S.
Cladrastis lutea (Yellow Wood) Fine white flowering tree	WH DR M
Cordyline australis (Green Dracena). A palm like tree	HH DR S
Cornus capitata (Evergreen Dogwood). Creamy-white flowers	HH. ML. S
Cornus florida (S. Dogwood). White to pinkish flowers.	H. ML. S.
Cornus florida Rubra (Red Dogwood). Pink to red flowers	H. ML. S.
Crinodendron dependens (Flowering Oak). White flowers, oak like	HH. ML. S.
Cupania anacardioides (Carrot Wood). Fine ornamental, large leaves.	T. ML. M.
Cupressus forbesi (Tecate Cypress). The best for hedges	HH. DR. S.
Cupressus sempervirens (Italian Cypress). A very formal tree	H DR M
Cupressus torulosa (Bhutan Cypress). Blue-green drooping foliage	HH DR I
Eriobotrya japonica (Loquat). Fine ornamental fruit tree	H MI. S
Erythrina crista-galli (Cockspur Coral Tree). Red flowers	H. ML. S.
Eucalyptus camaldulensis (Red Gum). Gray bark, shelter tree	HH. DR. L.
Eucalyptus cinerea (Argyle Apple). Bluish white leaves	HH, DR. S.
Eucalyptus citriodora (Lemon Gum). White bark, fine specimen.	T. DR. L.
Eucalyptus ficifolia (Red Flowering Gum). Beautiful flowers	T. DR. M.
Eucalyptus globulus (Blue Gum). Fuel and windbreak tree	HH. DR. L.
Eucalyptus globulus compacta (Dwarf Blue Gum). Low windbreak.  Eucalyptus lehmanni (Lehmann's Gum). Dense foliage, ornamental	
Eucalyptus rudis (Desert Gum). A fine shelter tree	H DR I
Eucalyptus sideroxylon rosea (Red Ironbark). Pink flowers	HH DR I
Eucalyptus torquata (Coral Gum). Red buds that are ornamental	HH DR. S.
Eucalyptus viminalis (Manna Gum). White bark, weeping foliage	H. DR. L.
Other flowering and ornamental Eucalyptus trees will be added to	this list
when the seedlings become larger.	
Eugenia paniculata (Australian Myrtle). A fine compact tree	HH. DR. S.
Eugenia paniculata australis (Australian Cherry). Smaller leaves	HH. DR. M.
Fagus sylvatica (European Beech). A handsome shade tree	II ML. M.
Fagus sylvatica fastigiata (Upright Beech). A columnar tree	H MI M
g	

Flowering Trees make the landscape colorful

Flowering Trees make the landscape colorful		
Feijoa sellowiana (Pineapple Guava). Red flowers, edible fruit		
Ficus carica (Mission Fig). A shade and fruit tree for home	Н.	DR. M.
Ficus macrophylla (Moreton Bay Fig). A spreading rubber tree		
Ficus retusa (Glossyleaf Fig). Attractive rubber tree for home		
	<b>1</b> .	DII. D.
Flowering Fruit and Shade Trees in many old and new varieties.		
Fraxinus excelsior (European Ash). A fine shade or street tree		
Fraxinus ornus (Flowering Ash). Fragrant white flowers	Н.	DR. S.
Fraxinus uhdei (Mexican Ash). Glaborus semi-evergreen, fast grower,		
and develops into a fine shade tree of vase or upright form	нп	M IM
Fraxinus velutina var. glabra (Modesto Ash). Fine light green tree		
Fraxinus velutina var. coriacea (Montebello Ash). Darker foliage	Н.	DR. M.
Fremontia mexicana (Flannel Bush). Yellow flowering evergreen	HH.	DR. S.
Fruit Trees for Southern California, in both deciduous and sub-tropic var		
Gingko biloba (Ginkgo Tree). Maidenhair like leaves, fall color		
Gingko biloba (Male Tree). Like seedlings, but produces no fruit	П.	ML. L.
Grevillea robusta (Silk Oak). Orange flowers, fast growing fern leaf	HH.	DR. L.
Hakea laurina (Sea Urchin). Dark foliage, red flowers very desirable	HH.	DR.S.
Hakea suaveolens (Needle Bush). Grows to likeness of dwarf pine	HH.	DR. S.
Hibiscus mutabilis hibred (Tree Hibiscus). Fine flowering tree	НН	MI S
Hymenosporum flavum (Hymenosporum). Fragrant yellow flowers		
Jacaranda acutifolia (Jacaranta). Blue flowers, fern foliage		
Koelreuteria paniculata (Golden Rain Tree). Yellow flowers		
Koelreuteria integrifoliola (Fernleaf Koelreuteria). Fine foliage	Н.	DR. S.
Lagerstroemia indica (Crape-Myrtle). Variety of colors in flowers		
Lagunaria patersoni (Primrose Tree). Pink flowers, gray foliage		
Laurus nobilis (Laurel). A dark, aromatic foliage, compact growth		
Leucadendron argenteum (Silver Tree). Beautiful glistening foliage	T.	DR. S.
Libocedrus decurens (Incense Cedar). Handsome columnar conifer	Н.	DR. M.
Ligustrum lucidum (Privet). A tree for street or patio planting		
Liquidamber formosa (Chinese Sweet Gum). Semi-evergreen tree		
Liquidamber styraciflua (Sweet Gum). Columnar form, red fall foliage		
Lirodendron tilipifera (Tulip Tree). Fine shade tree, very clean		
Lirodendron chinensis (Chinese T.T.). Larger leaves and flowers		
Lyonothamnus asplenifoliius (Santa Cruz Ironwood). Fern foliage	HH.	DR. M.
Macadamia ternifolia (Queensland Nut). Holly foliage, edible nuts		
Magnelia grandiflora (Southern Magnelia) Shade and specimen tree	H	MII
Magnolia grandiflora (Southern Magnolia). Shade and specimen tree	Н.	ML. L.
Also dwarf flowering Magnolias in different varieties and color	s.

Platanus occidentalis (Southern Sycamore). Light bark and foliage	H. ML. L.
Platanus racemosa (Western Sycamore). Picturesque tree for shade	
Podocarpus gracilior (African Fern-Pine). Fine, graceful foliage	
Podocarpus macrophylla (Yew Pine). Stiff foliage, light green color	
Populus alba, var. bolliana (Silver Poplar). Upright, silver tree	
Populus canadensis (Carolina Poplar). Large leafed shade tree	
Populus simoni (Chinese Lombardy). A better tree than Ita. Lombardy	
Prunus caroliniana (Carolina Cherry). Glossy evergreen foliage	
Prunus lyoni (Catalina Cherry). Holly type evergreen foliage	
Prunus pissardi (Purple Leaf Plum). Handsome foliage and flowers	
Pterocarya stenoptera (Chinese Wing Nut). Fine for parks and farms	
Quercus agrifolia (California Live Oak). Fine shade tree	H. DR. L.
Quercus bicolor (Swamp White Oak). Has proven to be good in Calif	VH. ML. L.
Quercus chrysolepis (Canon Oak). Fine tree for lawn and yard	
Quercus coccinea (Scarlet Oak). Fine deciduous tree, fall colors	
Quercus cerres (Turkey Oak). Very fast growing deciduous tree	
Quercus engelmanni (Mesa Oak). Semi-evergreen picturesque tree	
Quercus ilex (Holy Oak). This oak is rated by world horticulturists as	
being the best and most handsome live-oak. Dark holly foliage	H. ML. L.
Quercus falcata (Southern Red Oak). Fine shade and lawn tree	H. ML. L.
Quercus lobata (Valley White Oak). Graceful deciduous tree	
Quercus prinus (Chestnut Oak). Fast growing deciduous shade tree	VH. ML. M.
Oaks rank as the noblest and most durable of our ornamental tr	ees.
Robinia hispidia var. monument (Upright Moss Locust). Deep pink flower	
Robinia pseudoacacia (Black Locust). Shade tree for poor soil	
Robinia pseudoacacia var. decaisneane (Pink Locust). Pink flowering tree	
Robinia pseudoacacia idahoensis (P. Locust). Dark pink flowers	
Robinia pseudoacacia umbraculifera (Globe Locust). Fine patio tree	
Salix alba var. vitellina (Golden Willow). Weeping, yellow bark	
Salix babylonica (Weeping Willow). Fine tree for lake planting	
Salix babylonica cripsa (Ringleaf Willow). Weeping curly leaves, odd tr	
Salix humbodtiana (Evergreen Willow). Upright, with heavy foliage	
Sassafras variifflium (Sassafras). Odd tree, fragrant leaves	VH. ML. M.
Schinus molle (Calif. Pepper). Well known tree, weeping foliage	HH. DR. L.
Schinus terebinthifolia (Brazilian Pepper). Stiff compact growth	T. DR. S
Sequoia gigantea (Sequoia). Fine outdoor Christmas tree	
Sequoia sempervirens (Redwood). The California state tree, upright	
Sorbus aucuparia (Mountain Ash). Red berries, colored foliage	VH. ML. S.
Sophora japonica (Pagoda Tree). Cream colored flowers, fine foliage,	
Sophora secundiflora (Mescal Bean). Blue fragrant flowers, evergreen	
Tamarix articulata (Athel). Pink flowering tree for dry soil	
Taxodium mucrronatum (Montezuma Cypress). Fine evergreen, weeping	H. ML. L.
Tilia americana (Linden). Ornamental shade tree, fragrant flowers	V fl. ML, L
pink bark, dark foliage, and semi-weeping, fast grower for home	LIMII
Ulmus par, var. sempervirens (Evergreen Chinese Elm). Fine weeping tre	······································
Ulmus pumila (Siberian Elm). Light-green foliage, gray bark, very fast	eII. IVIL, IVI.
growing tree that is used where a very hardy tree is needed	AH DB I
Umbellularia californica (Calif. Laurel). Dark green, aromatic leafed	H DR I
Virgilia oroboides (Cape Virgilia)). Fast grower, pink flowers, gray leave	Pa T DR C
Washingtonia robusta (Mexican Fan Palm). A much used palm in Calif	H DR I
Widdringtonia schwarzi (African Cypress). Rare upright conifer	
Zelkova serrata (Zelkova). Tree much like Chinese elm, glaborus leaf	
CONCLUSION	TVILE, L
We are at present propagating trees from many different w	( 1)

Shrubs (of many varieties) trained to grow in tree form—fine patio specimens.

We are at present propagating trees from many different parts of the world that have proven to be satisfactory in climates that are of a California nature, and if you don't see your favorite tree listed, perhaps we are propagating it, or upon request we can get one for you.

As there's a spot for every tree and a tree for every spot, let us show you the tree for your need; for trees are the backbone of any landscape, and a misplaced tree can weaken the best landscape.

Last but not least, a dollar tree planted in a ten dollar hole will outgrow a ten dollar tree planted in a dollar hole. So give your tree a good start.

Yours for a better planted California

## WILLARD HAGEN, Arboriculturist

Member of the National Shade Tree Conference and the Los Angeles State and County Arboretum
